BINDING

 · assent: sovereign assent · subject: vjs-v2-specs

Specs are first-class law objects with purpose, scope, decisions, invariants, obligations, and review triggers.

Specs are first-class law objects with purpose, scope, decisions, invariants, and obligations.

DIRECTIVE	ACTOR	MUST
D1	agent	use specs for contracts
D2	agent	link spec to decisions

FORBIDDEN
use specs as prose only
ignore spec invariants

Specs are compact, machine-checkable contracts. They contain purpose, scope, decisions, invariants, obligations, and review triggers.
