REQUEST FOR RULING

JUDGMENT

1. This court was asked to rule upon the following question: May the realm be administered as a super-repo ('Agent Universe') over a Ministry of Justice and operational jurisdiction-repos, each repo carrying a local first-instance hearing-centre of the one judiciary?
2. **RATIO DECIDENDI:** The realm may be administered as a super-repo over a Ministry of Justice (governance only) and an executive ministry of operational jurisdiction-repos, each repo carrying a LOCAL first-instance hearing-centre (a County Court at the repo) of the one judiciary that records jurisdiction-local caselaw, while the single Court of Appeal and the single Supreme Court remain shared and central (s. 9 read with s. 10). The singleness of the apex is the structural guarantor that a division never hardens into a sovereign and is the one feature that may never be relaxed. The power to enact realm-wide statute is reserved to the single Supreme Court alone (s. 9, s. 13) and is non-delegable. Entrenched by the declaratory ordinary article s. 22; disposed on the fast-path (s. 11(c)).

RATIO DECIDENDI - THE BINDING HOLDING

The singleness of the apex is the structural guarantor that a division never hardens into a sovereign and is the one feature that may never be relaxed.
